Purchasers of the Association's services at wholesale, for resale or as an interexchange, interconnection or competitive local exchange service provider shall not be eligible for membership.

No member may hold more than one membership in the Association, and no membership in the Association shall be transferable, except as provided in these Bylaws.

SECTION 2. JOINT MEMBERSHIP. A husband and wife shall be deemed joint members unless otherwise requested. The term "member", as used in these Bylaws, shall be deemed to include a husband and wife holding a joint membership and any provisions relating to the rights and liabilities of membership shall apply equally with respect to holders of a joint membership. Without limiting the generality of the foregoing, the effect of the hereafter specified actions by or in respect of the holders of a joint membership shall be as follows:

- (a) The presence at a meeting of either or both shall be regarded as the presence of one member and shall constitute a joint waiver of notice of the meeting;
- (b) The vote of either separately or both jointly shall constitute a joint waiver;
- (c) A waiver of notice signed by either or both shall constitute a joint waiver;
- (d) Notice to either shall constitute notice to both;
- (e) Expulsion of either shall terminate the joint membership;
- (f) Withdrawal of either shall terminate the joint membership;
- (g) Either, but not both, may be elected or appointed as an officer or Board member provided that both meet the qualifications for such office.

SECTION 3. CLASSIFICATIONS. In the discretion of the Board of Directors, the Association may find it necessary to separately classify, under policies of general application, certain Association functions, or groups of members or non-member patrons, or revenue categories, so as to more properly account for costs of service and patronage margins supplied by the members and non-member patrons. In doing so, the allocation of expenses and patronage credits may consider a variety of relevant factors such as the cost of rendering service, the terms and conditions of certain types of service, the terms of agreements with members or non-member patrons, and the obligations of the parties involved. Patronage capital credits may accrue at a different rate for certain classifications of members or non-member patrons or for different types of service.

SECTION 4. CONVERSION OF MEMBERSHIP.

- (a) A membership may be converted to a joint membership upon the written request of the holder thereof and the agreement by such holder and his or her spouse to comply with the Articles of Incorporation, Bylaws, and Rules and Regulations adopted by the Board.

Each member shall also pay all amounts owed by him to the Association as and when the same shall become due and payable.

- (a) Any member may withdraw from membership upon compliance with such uniform terms and conditions as the Board may prescribe. The Board may, by the affirmative vote of not less than two-thirds (2/3) of all the members of the Board, expel any member who fails to comply with any of the provisions of the Articles of Incorporation, Bylaws, and Rules and Regulations adopted by the Board, but only if such member shall have been given written notice by the Association that such failure makes him/her liable to expulsion and such failure shall have continued for at least ten (10) days after such notice was given. Any expelled member may be reinstated by vote of the Board or by vote of the members at any annual or special meeting.

Notwithstanding the above, the Chief Executive Officer or his/her designee may cancel the membership of any member;

- (1) Who has ceased to purchase telephone service from the Cooperative for a period of thirty (30) days;
- (2) Who had a disconnect order in effect for thirty (30) days without signing an order to reconnect; or;
- (3) To whom telephone service has been discontinued because of nonpayment of bills due the Cooperative; provided, that such delinquency shall have continued for at least thirty (30) days prior to the discontinuance of such service.

Any canceled membership may be reinstated by the member during the defect giving rise to termination of the membership, the delivery of an appropriate application and the posting of a reasonable deposit or other security where required by the Cooperative.

- (b) Upon the withdrawal, death, cessation, or expulsion of a member, the membership of such members shall thereupon terminate. Termination of membership in any manner shall not release a member or his estate from any debts due to the Association.
- (c) In case of withdrawal or termination of membership in any manner, the Association shall repay to the member the amount of the membership fee paid by him provided, however, that the Association shall deduct from the amount of the membership fee the amount of any debts or obligations owed by the member to the Association.

SECTION 7. SERVICE TO NON-MEMBERS. The Board may authorize the furnishing of service to persons not members of the Association when the furnishing of such service is, in the judgment of the Board, in the best interests of the Association provided, however, that such service to non-members shall not exceed ten per centum (10%) of the number of members of the Association, and provided, further, that the Board may, without regard to said ten per centum (10%) limitation, make service available through interconnection of facilities to any number of subscribers of other telephone systems, and through pay stations to any number of users, and provided, further, that if the Association acquires existing telephone facilities, it may, upon approval of the Board and subject to terms and conditions imposed by the Board, continue service to persons, not in excess of forty per centum (40%) of the number of members of the Association, who are already receiving service from such facilities without requiring such persons to become members, but such persons may become members upon the same terms and conditions, rights, and liabilities, as are herein provided for membership in the Association.

**ARTICLE II
RIGHTS AND LIABILITIES OF MEMBERS**

SECTION 1. PROPERTY INTEREST OF MEMBERS. Upon dissolution, after:

- (a) All debts and liabilities of the Association shall have been paid.
- (b) All capital furnished through patronage shall have been retired as provided in these Bylaws, and
- (c) All membership fees shall have been repaid, the remaining property and assets of the Association shall be distributed among the members and former members in the proportion which the aggregate patronage of each member bears to the total patronage of all members, except to the extent participation in the distribution has been legally waived.

SECTION 2. NON-LIABILITY FOR DEBTS OF THE ASSOCIATION. The private property of the members shall be exempt from execution or other liability for the debts of the Association and no member shall be liable or responsible for any debts or liabilities of the Association.

**ARTICLE III
MEETINGS OF MEMBERS**

SECTION 1. ANNUAL MEETING. The annual meeting of the members shall be held during the month of June each year beginning in 1998, at a location designated by the Board, for the purpose of electing Board members, passing upon reports for the previous fiscal year and transacting such other business as may come before the meeting. It shall be the responsibility of the Board to make adequate plans and preparations for the annual meeting. Failure to hold the annual meeting at the designated time shall not work a forfeiture of dissolution of the Association.

SECTION 2. SPECIAL MEETINGS. Special meetings of the members may be called by resolution of a majority of the Board or by ten percent (10%) of all members, and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held at any place within the areas served by the Association as designated by the Board and shall be specified in the Notice of the Special Meeting.

SECTION 3. NOTICE OF MEMBER'S MEETINGS. Written or printed notice stating the place, day, and hour of the meeting and, in case of an annual meeting at which business requiring special notice is to be transacted, the purpose or purposes for which the meeting is called shall be delivered no less than fifteen (15) days or more than sixty (60) days before the date of the meeting, either personally or by mail, by or at the direction of the Secretary, or upon a default in duty by the Secretary, by the persons calling the meeting, to each member.

In the case of a special meeting at which business requiring special notice is to be transacted, the notice must also state the purpose for which the meeting is called and shall be given to each member, either personally or by mail, not less than ninety (90) days or more than one-hundred twenty (120) days before the date of the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed as it appears in the records of the Association with postage thereon prepaid. The failure of any member to receive notice of an annual or special meeting of the members shall not invalidate any action which may be taken by the members at any such meeting.

SECTION 4. QUORUM. Fifty (50) members present in person, shall constitute a quorum. If less than a quorum is present at any meeting, a majority of those present in person may adjourn the meeting from time to time without further notice. The minutes of each meeting shall contain a list of the members present in person.

SECTION 5. VOTING

- (a) Each member shall be entitled to only one vote upon each matter submitted to a vote at a meeting of the members. All questions shall be decided by an affirmative vote of a majority of the members voting thereon in person except as otherwise provided by law, the Articles of Incorporation, or these Bylaws
- (b) A member may not vote by proxy but voting by mail shall be permitted at all meetings of the members. Ballots shall be supplied, together with a small ballot envelope and a larger envelope imprinted with the voter's certificate, the address of the election committee and first-class postage prior to the membership meeting. Ballots for use by members when voting by mail shall be imprinted with a voter's certificate and shall be submitted by the members in such manner as to preserve the confidentiality of the member's vote. Ballots by mail must be received at the election committee's designated posted address in Palmer, Alaska by 5:00 p.m. on the day preceding the meeting. "Voter's Certificate" is defined as a line or other space reserved for and containing the voter's signature. Mailed ballots need to be signed by the voting member.
- (c) An election committee of not less than three (3) persons shall be appointed by the Board of Directors sufficiently in advance of the meeting, to insure validation of the mailed ballots. If less than a quorum is present at the meeting, the election committee shall cause to be destroyed, all unopened ballots received by mail, unless the meeting is continued and not adjourned.

SECTION 6. VOTING BY NON-NATURAL PERSONS. An individual may vote once on each matter for a non-natural entity which is itself a member in good standing and which has properly authorized the individual to vote on its behalf. The Cooperative may require the designated individual to submit satisfactory written proof of such designation prior to voting.

SECTION 7. ORDER OF BUSINESS. The Board shall by resolution adopt procedures and rules governing all membership meetings and all elections and voting. Rules and procedures governing voting and elections will be announced in advance of each meeting. The Board, in establishing such rules, will be fair and equitable. If no rules governing a particular situation have been established by the Board, then the rules contained in the latest edition of Robert's Rules of Order will govern to the extent not inconsistent with law, the Articles of Incorporation or these Bylaws. The order of business at the annual meeting of the members and, so far as possible at all other meetings of the members, shall be essentially as follows except as otherwise determined by the members at such meeting:

- (a) Report on the number of members present in person in order to determine the existence of a quorum.
- (b) Reading of the notice of the meeting and proof of the due publication or mailing thereof, or the waiver or waivers of the notice of the meeting, as the case may be.
- (c) Reading of unapproved minutes of previous meetings of the members and the taking of necessary action thereon.
- (d) Presentation and consideration of reports of officers, trustees, and committees.
- (e) Election of Board members.
- (f) Unfinished business.
- (g) New business.
- (h) Adjournment.

ARTICLE IV BOARD MEMBER

SECTION 2. ELECTION AND TENURE OF OFFICE.

- (a) Members of the Board shall be elected by secret ballot at each annual meeting of the members by and from the members to serve until their successors shall have been elected and shall have qualified. No Board member shall serve more than three (3) consecutive terms. This provision shall apply to incumbent directors and directors newly elected commencing with the 1992 election. If an election of Board members shall not be held on the day designated herein for the annual meeting or at any adjournment thereof, a special meeting of the members shall be held for the purpose of electing Board members within a reasonable time thereafter. Board members may be elected by a plurality vote of the members. If after a recount two or more candidates tie in the number of votes for the same directorship seat, the Chairman of the Board shall notify the candidates who are tied. The Chairman shall notify the candidate of a reasonably suitable time and place to determine the successful candidate by lot. After the determination has been made by lot, the Chairman shall so certify. A member wishing to challenge the results of an election must submit the challenge in writing to the Board of Directors within seven (7) days following adjournment or recess of the meeting at which the election was conducted. A seated Board member whose election is the subject of the challenge must abstain from participation in any decisions relating to the challenge. The decision of the Board of Directors regarding an election challenge shall be final.
- (b) Tenure of office -- At each annual meeting election, two directors will be elected. The candidate receiving the greater number of votes shall receive a three-year term and second higher shall receive a two-year term. Any vacancies not filled at the time of the annual election shall be filled by the candidates in the order of the respective number of votes.

SECTION 3. DIRECTOR QUALIFICATIONS. No person shall be eligible to become or remain a Director or to hold any position of trust in the Association who:

- (a) Is a close relative of an incumbent Director or of an employee of the Association, or is not a member in good standing of the Association, not current in his/her obligation to the Association and receiving service there at his/her primary residential abode, and who is not a bonafide resident of the area served or to be served by the Association;
- (b) PROVIDED, that the operating or chief executive of any member which is not a natural person, such as a corporation, church, etc., or its designee, shall, notwithstanding that he/she does not receive service from the Association at his/her primary residential abode, be eligible to become a Director, if he/she or such designee (1) is in substantial permanent occupancy, direction or use of the premises served by the Association, and (2) is a permanent and year-round resident within or in close proximity to an area served by the Association;
- (c) BUT PROVIDED FURTHER, that no more than one (1) such person may serve on the Board of Directors at the same time. No person shall be eligible to become or remain a Director of, or to hold any other position of trust in, the Association who is not at least nineteen years of age or who is in any way employed by or financially interested in an enterprise which competes with the Association or one of its subsidiaries, is a wholesale, resale, interexchange, interconnection or competitive local exchange service provider, is involved in a joint venture or other business relationship with the Association or is a business selling telecommunications service and telecommunications supplies to the Association.
- (d) Upon establishment of the fact that a nominee for Director lacks eligibility under this section or as may be provided elsewhere in these Bylaws, it shall be the duty of the Chairman presiding at the meeting at which such nominee would otherwise be voted upon to disqualify such nominee. Upon the establishment of the fact that any person being considered for, or already holding, a directorship or other position of trust in the Association lacks eligibility under this Section, it shall be the duty of the Board of Directors to withhold such position from such person, or to cause him/her to be removed therefrom, as the case may be. The person against whom such charges have been brought shall be informed in writing of the charges at least twenty (20) days prior to the Board meeting at which the charges are to be considered and shall have an

opportunity at the meeting to be heard in person or by counsel and to present evidence in respect of the charges, and the person or persons bringing the charges against him/her shall have the same opportunity. A Board member whose right to sit on the Board has been challenged shall abstain from voting on the issue. The decision of the Board will be final and non-appealable.

- (e) Nothing contained in this Section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this Section and in which one or more of the Directors have an interest adverse to that of the Association.
- (f) Has not made a good faith effort to materially comply with the campaign disclosure requirements of these Bylaws.

SECTION 4. NOMINATIONS. It shall be the duty of the Board to approve in the January or February board meeting prior to the Annual Meeting, a committee on nominations consisting of not less than five (5) nor more than eleven (11) members who shall be selected from different sections as to insure equitable representation. No member of the Board may serve on such committee. The committee, keeping in mind the principal of equitable representation, shall prepare and post at the principal office of the Association at least sixty (60) days before the meeting a list of nominations for Board members. The Secretary shall be responsible for mailing with the Notice of the Meeting, or separately but at least fifteen (15) days before the date of the meeting, a statement of the number of Board members to be elected and the names and addresses of the candidates nominated by the committee on nominations. Any fifteen (15) or more members acting together may make other nominations by petition and the Secretary shall post such nominations at the same place where the list of nominations made by the committee is posted. Nominations by petition, if any, received at least sixty (60) days before the meeting shall be included on the official ballot.

SECTION 5. REMOVAL OF BOARD MEMBER BY MEMBERS. Any member may bring charges against a Board member and by filing with the Secretary such charges in writing, together with a petition signed by at least ten percent (10%) of the members, may request the removal of such Board member by reason thereof. Such Board member shall be informed in writing of the charges at least twenty (20) days prior to the meeting of the members at which the charges are to be considered and shall have an opportunity at the meeting to be heard in person or by counsel and to bring evidence in respect to the charges; the person or persons bringing the charges against him shall have the same opportunity. The question of the removal of such Board member shall be considered and voted upon at the meeting of the members without compliance with foregoing provisions with respect to nominations.

SECTION 6. VACANCIES. A vacancy occurring in the Board for any reason shall be filled by the affirmative vote of a majority of the remaining Board members for the unexpired portion of the term provided however, that in the event the vacancy is not filled by the Board within ninety (90) days after the vacancy occurs the vacancy shall be filled for the remainder of the term at the next annual meeting of the members.

SECTION 7. COMPENSATION. Board members shall not receive any salary for their services, as such, except that members of the Board shall, by resolution, authorize a fixed sum not to exceed fifty dollars (\$50.00) for each regular or special meeting of the Board. Board members shall receive reasonable reimbursement for travel costs from their principal place of residence within the Association's service area for attendance at regular and special meetings of the Board. If authorized by the Board, Board members shall be reimbursed insurance costs. The Board of Directors shall also be reimbursed for expenses actually and necessarily incurred, plus \$175 per day while representing MTA at training seminars, meetings of organizations (such as the Alaska Telephone Association, the National Telephone Cooperative Association, etc.) or other Association business requiring director participation and for each day of travel to and from such meetings. A reasonable expense advance may be granted by the Board, subject to a detailed accounting. No Board member shall receive compensation for serving the Association in any other capacity nor shall any close relative of a Board member receive

compensation for serving the Association unless: (1) the payment and amount of compensation shall be specifically authorized by vote of the members; (2) the service by the Board member or his close relative shall have been certified by the Board as an emergency measure; or (3) the compensation is received for providing goods or services (other than as an officer or employee of the Cooperative) to the Cooperative consistent with policies established by the Board of Directors to assure transparency, competitive bidding and a level playing field for all potential vendors. For the purpose of this Article IV, close relatives include: parents, husband, wife, children, brothers, sisters by blood, by marriage, by law, or by adoption and individuals residing in the same residence.

SECTION 8. CAMPAIGN DISCLOSURE.

Such regular meetings may be held without notice other than such resolution fixing the time and place thereof. The Board may, for a meeting at which a quorum of the Board participates, conduct a meeting by teleconference or similar communications equipment if the Board gives reasonable notice of the meeting and if members of the Association are able to attend the meeting sites and hear the meeting.

SECTION 5. QUORUM. A majority of the Board shall constitute a quorum provided that if less than such majority of the Board is present at said meeting, a majority of the Board present may adjourn the meeting from time to time and, provided further, that the Secretary shall notify any absent Board member of the time and place of such adjourned meeting. SECTION 2. ELECTION AND TERM OF OFFICE. The officers shall be elected by ballot annually by and from the Board at the meeting of the Board held immediately after the annual meeting of members. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as may be convenient. Each officer shall hold office until the first meeting of the Board following the next annual meeting of the members or until his successor shall have been elected and shall have qualified. A vacancy in any office shall be filled by the Board for the unexpired portion of the term.

SECTION 3. REMOVAL OF OFFICERS AND AGENTS BY THE BOARD. Any officer or agent elected or appointed by the Board may be removed by the Board whenever, in its judgment, the best interests of the Association will be served thereby. In addition, any member of the Association may bring charges against an officer and, by filing with the Secretary such charges in writing together with a petition signed by ten per centum (10%) of the members or two hundred (200), whichever is lesser, may request the removal of such officer. The officer against whom such charges have been brought shall be informed in writing of the charges at least twenty (20) days prior to the Board meeting at which the charges are to be considered and shall have an opportunity at the meeting to be heard in person or by counsel and to present evidence in respect of the charges, and the person or persons bringing the charges against him/her shall have the same opportunity. - (f) In general performing all duties incident to the office of Secretary and such other duties as from time to time may be assigned to him by the Board.

SECTION 6. CEO. The Board may appoint a CEO who may be, but who shall not be required to be, a member of the Association. The CEO shall perform such duties and shall exercise such authority as the Board may from time to time vest in him.

SECTION 7. BONDS OF OFFICERS. The Chief Governance Officer, Secretary, and CEO, or agent of the Association charged with the responsibility for the custody of any of its funds or property shall be bonded as the Board shall determine. The Board in its discretion may also require any other officer, agent, or employee of the Association to be bonded in such amount and with such surety as it shall determine.

SECTION 8. INDEMNIFICATION. The Association shall indemnify, defend, and hold harmless present and former directors, officers, including the CEO, agents and employees ("protected persons") against liability to the extent that their acts or omissions constituting the grounds for alleged liability were performed in their official capacity and, if actionable at all, were based upon good faith business judgments or in the belief the acts or omissions were in the best interest of the Association or were not against the best interest of the Association. However, except as provided by law, the Association may not indemnify, defend, and hold harmless the protected person if the person did not reasonably believe the conduct to be in, or not opposed to the best interests of the Association. With respect to criminal action or proceedings, the Association shall indemnify a protected person unless the person had reasonable cause to believe that the conduct was unlawful. The Association may purchase insurance to cover such indemnification.

SECTION 9. COMPENSATION. The Board shall determine the powers, duties, and compensation of the Chief Executive Officer. Except as provided by law, compensation for Board members shall be subject to these bylaws.

SECTION 10. REPORTS. The officers of the Association shall submit at each annual meeting of the members, reports covering the business of the Association for the previous fiscal year. Such reports shall set forth the condition of the Association at the close of such fiscal year.

ARTICLE VII NON-PROFIT OPERATION

SECTION 1. INTEREST OR DIVIDENDS ON CAPITAL PROHIBITED. The Association shall at all times be operated on a cooperative, non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the Association on any capital furnished by its patrons.

SECTION 2. PATRONAGE CAPITAL. In the furnishing of telecommunication or other information services, the Association's operations shall be so conducted that all members will, through their patronage, furnish capital for the Association. In order to induce patronage and to assure that the Association will operate on a non-profit basis, the Association is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from patronage sourced activities in excess of costs and expenses. All such amounts at the moment of receipt by the Association are received with the understanding that they are furnished by the patrons as capital. The Association is obligated to pay by credits to a capital account for each patron all such amounts in excess of costs and expenses. The books and records of the Association shall be set up and kept in such a manner that for each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Association shall annually notify each patron of the amount of capital so credited to the patron's account. All such amounts credited to the capital account of any patron shall have the same status as though they have been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Association corresponding amounts of capital.

All other amounts received by the Association from non-patronage sourced activities in excess of costs and expenses shall be (a) used to offset any losses incurred during the current or any prior fiscal year and (b) to the extent not needed for that purpose, allocated by the Board either (1) to its patrons on a patronage basis and any amount so allocated shall be included as part of the capital credited to the accounts of patrons, as herein provided, (2) to a permanent capital account to be held as unallocated equity capital, or (3) to the MTA Foundation. The Board, in its discretion, may allocate all amounts received and receivable from non-patronage sourced activities. The amount of any unallocated equity capital shall not be subject to distribution as patronage capital credits but shall be returned to the members and former members in proportion to their patronage upon dissolution of the Association.

In the event of dissolution or liquidation of the Association, after all outstanding indebtedness of the Association shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members. If, at any time prior to dissolution or liquidation, the Board shall determine that the financial condition of the Association will not be impaired thereby, the capital credited to patrons' accounts may be retired in full or in part in a manner as may be determined by the Board, including retirement on a discounted basis, except that any such capital retired to a patron shall first be applied to any outstanding balance due the Association, together with interest at the legal rate of interest allowed on judgments in the state of Alaska in effect when such amount became overdue, compounded annually.

Capital credited to the account of each patron shall be assignable only on the books of the Association pursuant to written instructions from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Association unless the Board, acting under policies of general application, shall determine otherwise. In the event that a non-member patron shall be accepted as a member of the Association, the capital credited to the account of such non-member patron may, at the discretion of the Board, be applied toward the payment of a membership fee on behalf of such non-member patron.

Notwithstanding any other provisions of these Bylaws, the Board at its own discretion shall have the power at any time, upon the death of any patron who is a natural person, if the legal representatives of

the patron's estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of the Bylaws, to retire capital credited to any such patron who is a natural person immediately upon such terms and conditions as the Board, acting under policies of general application, and the legal representatives of such patron's estate shall agree upon; provided, however, that the financial condition of the Association will not be impaired thereby.

The patrons of the Association, by dealing with the Association, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws, as amended by the members from time to time, shall constitute and be a contract between the Association and each patron, and both the Association and the patrons are bound by such contract as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this Article of the Bylaws shall be called to the attention of each patron of the Association by posting in a conspicuous place in the Association's office.

The notice of such proposed sale, lease, or other disposition shall be contained in the notice of the meeting; provided, however, the Board of Directors may, upon authorization of a majority of those members of the Association voting on the issue in an election in which at least ten (10%) percent of the eligible members return ballots sell, lease or otherwise dispose of all or a substantial portion of its property to another cooperative or the state.

The Association shall develop management policies implementing bidding criteria and contract award procedures so as to award contract to the lowest responsive responsible bidder. The requirements of this Bylaw may be limited in management policies only by those circumstances where compelling public safety considerations, legal considerations, or engineering considerations indicate that competitive bidding will not achieve the objective of the financial best interests of the Association.

SECTION 2. CHECKS, DRAFTS, ETC. All checks, drafts, or other orders for the payment of money, and all notes, bonds, or other evidences of indebtedness issued in the name of the Association shall be signed by such officer or officers, agent or agents, and employee or employees of the Association and in such manner as shall from time to time be determined by resolution of the Board.
